**Notes:**

- The Pack sends 13 cars to District: three fastest from the Pack, one fastest from Lions, one Scouts' Choice, and two from each of the four design categories.
- Scouts who enter a car vote for Scout's Choice, Superheroes Theme, and Scouting Theme. Pack Leaders select the Most Beautiful/Best Craftsmanship and Most Original/Unique.
- A car may only go to District in one category. Speed categories take precedence. When a car places in a rank that would advance to District in more than one category other than speed, the Scout may choose in which category to compete. The next car advances in the category not chosen.
- Cars advancing to District must be quarantined by a Scout Leader.
